THE REGIONAL RUNDOWN

New! Round-Up Savings from REGIONAL

Remember saving all the change from purchases in a big jar, bucket, piggy bank or giant plastic crayon, and taking it someplace to trade for cash?

REGIONAL's new [Round-Up Savings](#) feature is like that, only it's automatic, works with your REGIONAL Debit Card, and doesn't require lugging a big pile of coins. And-unlike those machines at the supermarket-you get to keep 100% of the money for yourself.

It's the easiest way to wrangle your change, and it can really add up! Call [800-762-7419](tel:800-762-7419) or stop by REGIONAL to learn more and get started.

A Message From Our New President/CEO

Greetings to all REGIONAL members,

I want to open with a big THANK YOU for your membership! We realize the last six months have had challenges with our conversion, and your patience and understanding have been invaluable to our team. Our members are truly our motivation.

Next, I am honored to address you today as the new President/CEO of REGIONAL federal credit union. After 39 years of dedicated service, Jill Banning has retired. Under her leadership, REGIONAL has grown into one of the leading financial institutions in Northwest Indiana.

As I embark in my new role, I am committed to building on that legacy, continuing our growth, and meeting the evolving financial needs of our family of members.

REGIONAL will continue to look for channels to bring top of the market products and services to the membership through technological improvements and partnerships. Our goal is to simplify your banking with the tools and high-quality member service you've come to expect from REGIONAL. I am excited for the opportunities that lie in front of us as we start this leg of our journey together.

REGIONAL's objective is to be a trusted partner and help our members achieve financial independence. With the help of our dedicated team and strong leadership, we will guide our members to that destination and intern watch REGIONAL grow and prosper.

I look forward to serving you and working in partnership for years to come.
THANK YOU.

Michael Peters
President\CEO
